NTSB BAR ASSOCIATION

-presents-

***Blue Angels Law Conference.
September 16th - 19th, 2009***

at

Virginia Beach, Virginia

We've done it in Pensacola 5 times and now we're going up the East Coast to beautiful Virginia Beach!

As always, we are fully dedicated to bring to you the most recent and current trends in the practice of aviation law. The NTSB Bar Association strives to keep its members knowledgeable and active regardless of whether they handle regulatory, certification or enforcement matters, accident litigation, insurance, taxation, or any other aspect of aviation. In light of the changing face of aviation, we will be pulling out all the stops to make sure this Conference is one that can't be missed.

Not only are we proud to welcome various members of both the FAA and the NTSB to speak on a multitude of topics currently pending but we are also currently putting together "star studded" panels that will attract not only those new to aviation but the most versed of aviation attorneys as well. ***And you won't want to miss the special "up close and personal" performance by the Navy's Blue Angels!***

Lodgings have been reserved at the Ocean Beach Club, a brand new Gold Key property offering beachfront one bedroom suites with full kitchen for only \$149.00 per night.

The NTSB Bar Association welcomes you back and encourages non-members to come see what the buzz is about. If you are interested in more information please contact:
